[Portfolio](#)

SKILLS

- ❖ Python
- ❖ C++
- ❖ Machine Learning
- ❖ SQL (Basic)
- ❖ Git, GitHub

EDUCATION

- ❖ Computer Engineering | Uttaranchal University, Dehradun CGPA: 8.31 | 2023-2027
- ❖ XII (CBSE) | Social Baluni Public School, Dehradun 71.8% | 2023

PROJECTS

CreditWise Loan Approval System ([GitHub](#) | [Live Demo](#))

- ❖ Built a supervised machine learning model to predict loan approval using classification techniques
- ❖ Implemented multiple algorithms including Logistic Regression, KNN, and Naïve Bayes
- ❖ Performed data preprocessing, feature engineering, and exploratory data analysis (EDA)
- ❖ Evaluated model performance using accuracy, precision, recall, and F1-score

AI Job Recovery Assistant ([GitHub](#) | [Live Demo](#))

- ❖ Built an AI-based assistant to help users recover job-related information and suggestions
- ❖ Designed to improve user guidance using structured logic and Python
- ❖ Focused on problem-solving and user interaction flow
- ❖ Implemented using Python (and basic AI/logic concepts)

CERTIFICATIONS

- ❖ Oracle Certified Foundations Associate
- ❖ TCS ion Career Edge – Young Professional
- ❖ Internshala Training – Data Science
- ❖ GENERATIVE AI – NASSCOM Skill Development Program (SFJ)
